## PRESS RELEASE

FOR IMMEDIATE RELEASE

### **Reprographic Powerhouses Join Forces In Capital Region**

**September 28, 2006 – Albany, NY** – Dataflow, Inc. headquartered in Binghamton, NY and WL Coughtry / Albany Reprographics of Albany, NY will merge effective October 1, 2006, instantly creating the largest full-service document management and digital printing service provider in the Capital region, the companies announced today. The merged company will provide business-to-business printing and document management services to the architectural, engineering and construction (AEC) industries, as well as to schools, universities, hospitals, manufacturing and other industries which also require sophisticated document management services. WL Coughtry opened in 1912 and offers traditional reprographic services, offset printing as well as small and large format digital color services to their clients. The merged companies' offices in the Capital Region will be consolidated at WL Coughtry's production address at 71 Fuller Road, Albany, NY 12205.

"This merger is part of Dataflow's continuing efforts to build our presence in major markets across Upstate New York" said Dan Zimmerman, partner at Dataflow. "The merged entity will have a combined production capacity of more than 150,000 D-size architectural drawings in a 24 hour period. It is ample firepower to meet the most demanding customers' schedule". WL Coughtry / Albany Reprographics' owner, Al Simidian, Sr., who will remain with the merged company as Senior Vice President, commented: "this merger will strengthen the service we provide to our clients in the Capital region. We will be a fully integrated digital imaging provider able to print and distribute documents over the Internet or directly with one of Dataflow's 9 Upstate New York locations".

About Dataflow

Since its founding in 1958, Dataflow, Inc. has worked to meet the needs of its customers by expanding its network of service centers and by constantly updating its technology. Today, Dataflow is the leading reprographics company in Upstate New York, providing business-to-business document management services to the AEC market, as well as to schools, universities, hospitals, manufacturing and other industries which also require sophisticated document management services and digital printing.

Dataflow provides its services and technology products on-site at our customers' locations and through a network of nine service centers across Upstate New York: Albany, Binghamton, Corning, Ithaca, Rochester, Rotterdam, Saratoga Springs, Syracuse and Utica. Dataflow is the exclusive Upstate New York partner in ReproMAX, a network of over 300 independently-owned reprographics locations across the U.S., Canada and Europe, extending our reach nationwide and beyond. Additionally, ReproMAX and Dataflow's alliance with McGraw-Hill Construction (MHC) provides improved collection of project information enabling even faster availability of critical project information to the AEC industry at MHC's Dodge Plan Rooms.
